

# Amy McConkey Robbins

Amy McConkey Robbins is a speech-language pathologist in private practice in Indianapolis, Indiana. She specializes in children who are deaf and hard-of-hearing, including those wearing cochlear implants. She is the author or co-author of several assessment procedures widely used in the field of pediatric cochlear implantation.

An Adjunct Assistant Professor in the Department of Speech and Hearing, Vanderbilt University, Ms. Robbins has published extensively in professional journals and textbooks. She speaks nationally and internationally on topics related to pediatric hearing loss and on vocational renewal for those in the serving professions. Her most recent work is *Whirlwinds and Small Voices – Sustaining Commitment to work with Special-Needs Children*, co-written with Clarence McConkey (Wordplay Publishing, 2008). In 2007, she co-authored an integrated Speech and Music Therapy curriculum, *TuneUps*, with composer and music therapist, Chris Barton.

She worked previously at the Indiana University School of Medicine, Boys Town National Research Hospital, and as a consultant for 3M-International in Brussels, Belgium. Ms. Robbins received a BA in psychology from Hollins College, Virginia, a Diploma in Phonetics and Linguistics at Leeds University, Yorkshire, England and a Master of Science in Audiology and Speech Sciences from Purdue University.
